#### PRE 1950 & VINTAGE ROVERS

**For Sale** remanufactured bodywork plate for 12 Tourers £35. Surplus literature including parts lists. Handbooks 1914 to P6, some gas turbine literature. P2/P4 etc. Send for list. Tooltray inserts and scuttle vent seals available, as are gearbox covers in polyurethane. Control box covers for RF 91 and choke throttle and mixture cables to correct pre-war pattern. A plea for help! I need firm indications of interest before going ahead with the next gearbox cover – which do you want – P3 or 1934 to 36, 37 to 38 cars? I need to see some good samples of 1934-38 gearbox covers to be able to proceed if that's the choice. I am considering production of a short run of 1947 12 Tourer sills, also a short run of P3 front anti-roll bars. Anybody who is interested, please let me know. And finally we refurbish P2 exhaust mountings on an exchange basis Mike Coudry, tel: 0115 9811222
